

# MODULES

made to measure learning

## Reading and Writing

The magical first steps with letters and words to open children's minds to the wonders of reading and writing. Once their reading starts to flow, children are empowered to take their learning wherever they wish.

Thursdays 9.30-11.30am

Cost: £30 per session.

KS 1 + 2

## Creative Writing and English Language

We think it's far more interesting to learn about grammar, punctuation and spelling through writing your own stories. Learning language creatively is a wonderful way to develop skills and to build up confidence as writers and speakers.

Wednesdays 11:00-1:00pm

Cost: £30 per session.

KS 3

## History

We take a Socratic approach which is led by the students' curiosity and questioning. Students chose what they want to study individually or as a group. The emphasis is on nurturing a love of learning history. Research homeworks and written assignments are offered.

Tuesdays 12:00-2:00pm

Cost: £30 per session.

# MODULES

the small print...

## all modules

Students can join at any time.

All groups have a minimum of 3 students and a maximum of 8 students.

Homework is suggested but is not compulsory. Students decide how much they do.

All of our teachers are PGCE trained, highly qualified teachers with a proven, successful exam record.

We use meditation at the beginning and end of the class to help focus the mind and improve the capacity for understanding, assimilating and memorising.

If students choose two modules on a Thursday they can join the full school programme with yoga and meditation in the morning and participate in the democratic meeting.

Individual, detailed feedback is offered on all classwork and homework done.

10% sibling discount. Other discretionary rates are available, please enquire.

## GCSEs

There are two periods when exams can be taken. May/June or October/November (students doing IGCSEs).

Students decide when they want to take the exams, teachers can give guidance but ultimately it is the student's decision.

We are in the process of becoming a registered exam centre. Until then exams can be conducted at Woodhouse Grove School in Bradford.

Exam registration and text books are paid separately.

One to one tutoring sessions are available.
